

## Flexi Hire

### What is it?

Flexi Hire offers businesses a **flexible solution** to both their short and long term mobility needs. Catering for cars and light commercials, we have **access to over 1,200 locations throughout the UK.**

### How will it help your business?

Flexi Hire allows you to rent a vehicle for **any period from 1 day to over 2 years.** If you run a core fleet of vehicles, Flexi Hire helps manage situations cost effectively, whether you need one or more extra vehicles for a specific period or a particular type of vehicle which you don't have in your fleet.

### Why Fleet Alliance?

- Flexi Hire provides you with **competitive rates** across all types of vehicles and for all periods up to 30 months.
- You can extend the rental period at any time to meet changing circumstances.

### Short term hire benefits (0 - 90 days):

- No turndown - 100% order guarantee
- Full airport coverage
- One-way and out of hours capability
- Dedicated account management
- Secure on-line rental management
- Option to offset your rental carbon emissions

### Long term hire benefits (91 days - 30 months):

- No commitment to any specific hire period
- Add to, reduce or change your vehicles at any time without penalty
- All servicing and maintenance included
- Replacement tyres for fair wear and tear
- Replacement vehicles when needed
- Road fund licence included
- 24-hour breakdown cover, 365 days a year
- No excess mileage charges\*
- One single monthly invoice

\* Fair usage policy applies

Both short term and long term hires include bespoke online management reporting and Service Level Agreements.
